Indoor banners and Posters with metal tubing

Take advantage of a new finishing option for our high-grade indoor banners and posters. Metal tubing allows for hanging both on walls and from the ceiling.

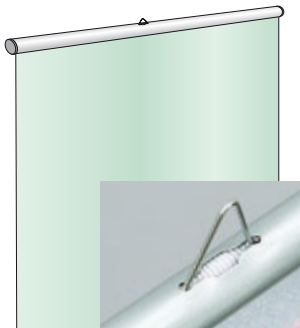

According to your tube diameter, the metal tubing is available in: gold, silver, black or white. You can choose between one- or two-point suspension for hanging the banners and posters.

Suspension

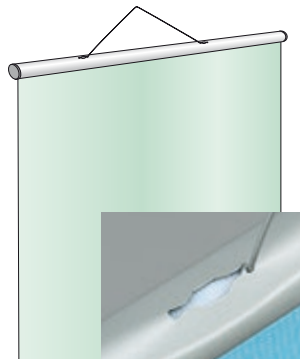

One-point suspension

Metal hooks

Two-point suspension

All sizes are approximate. As we are continuously developing our products we reserve the right of changing technical issues and dimensional deviations.

Tip:

Finish your Twiny® banners with metal tubes. Twiny® banners double your advertising space on posters and indoor banners by utilising both sides.
